

Spouses' Programme

*International Fleet Review &
MILAN 26*

International Fleet Review (IFR) and MILAN are global maritime events that aims to bring together navies from Friendly Foreign Countries to strengthen professional bonds, share best practices, and enhance cooperation at sea.

The Spouses' Programme for the International Fleet Review and MILAN 2026 has been thoughtfully curated to offer an enriching and memorable experience to the accompanying spouses of visiting dignitaries.

Complementing the official engagements, the programme celebrates friendship and cultural exchange through carefully designed activities that showcase the heritage, artistry, and warm hospitality of the host city, Visakhapatnam.
