Plant Based Dyes

Artisan Made

Manjistha मंजिष्ठा

INDIAN MADDER

Skin Protection from diaper rash

Manjistha is naturally antimicrobial, which helps protect babies' delicate skin from bacterial infections. This can be particularly beneficial for babies prone to skin infections or conditions like diaper rash.

Manjistha Dye

Ayurvedic practitioners integrate Manjistha into specialized treatments, such as Ayurveda, where fabrics are infused with the herb to provide continuous therapeutic benefits through contact with the skin.

nlla नील INDIGO

Skin Cooling & Hypoallergenic

Indigo is believed to have cooling and soothing effects on the skin, which can help keep your baby comfortable, especially in warm weather. Its natural properties may help alleviate minor skin irritations.

Indigo Dye

Natural indigo is Hypoallergenic and free from the toxic substances found in synthetic dyes, making it a safer choice for babies with sensitive skin or allergies.

www.sankalpaartvillage.com

MYROBALAN हरीतकी TERMINALIA CHEBULA

Healing and Anti Inflammation

Harad is used in skincare formulations because of its astringent and anti-inflammatory properties. It reduces skin inflammation while accelerating wound healing.

Haritaki Dye

Myrobalan - This dyestuff consists of ground nuts of the Terminalia chebula tree. This tree grows in Nepal, India and is used as both a mordant and a dye, giving a light buttery yellow when applied

www.sankalpaartvillage.com

Kadira खदिरः CATECHU

Skin Soothing

Catechu is known for its anti-inflammatory properties, making it a great choice for babies with sensitive skin. It helps soothe skin irritations, redness, and rashes, making it ideal for newborns.

Catechu Dye

Indian cutch is by far the most beautiful natural dyes has been known for centuries for its skin-soothing properties.

www.sankalpaartvillage.com

Kasim BLACK

Skin & Planet Freindly

Kasim black is sourced from plants, making it a sustainable alternative to synthetic dyes. It reduces the environmental impact associated with dye production, supporting conscious parenting and a greener planet

Kasim Black

Natural black dye is made of jaggery, Methi and iron oxide (rusted nails) fermented for about 3-6 months period of time.
