Operational Demonstration

The International City Parade will commence with a spectacular Operational Demonstration showcasing the Indian Navy's maritime aviation excellence. Fighter jets, helicopters, and skydivers will execute synchronized manoeuvres over the Bay of Bengal, while Marine Commandos display precision

operations. The breathtaking aerial display will embody professionalism, agility, and the Navy's readiness to safeguard maritime interests.

International City Parade

The grand City parade will feature marching contingents from the Indian Navy, Indian Army, Indian Air Force, Indian Coast Guard, State Police, Sainik School, Sea Cadet Corps, National Cadet Corps, and Friendly Foreign Countries, reflecting discipline, unity, and global camaraderie. The event will include spirited performances by SCC and NCS Children, an impressive Continuity Drill, and culminate with the stirring Tattoo Ceremony by the Indian Naval Band - blending tradition, pride, and international friendship in a vibrant celebration.

Illumination of Ships at Anchorage

As twilight falls, anchored warships will illuminate in a magnificent spectacle symbolising maritime strength and peace. The evening will reach its crescendo with a Fireworks Display, Laser Show and a Drone Show, Seamlessly merging light, sound, and technology. Together, they will adorn

the Visakhapatnam skyline as a breathtaking finale to the spirit of the International Fleet Review.
